Short Description

With printing

Description

Foldable advertising table mat can be folded into several parts or in half. This solution allows to display your advertising message in several directions. Perfect for exhibitions, fairs, presentations, conferences or offices to organize your workplace. Also, the mat can be made with multiple pockets to store flyers, coupons, business cards or other important items - saving space at the same time.

The maximum size of the advertising mat can be 650 x 450 mm.

Specification:

- Transparent top foil (thickness of 0.3 mm)
- Printed insert
- Pockets (according to project)
- Cuts for easy folding (according to project)
- Undercoat: light grey or black PVC foam 1.2 mm

Folding table mats - are an innovative way to introduce yourself! Technology advances, novelties and tools can be used for your company benefit and advertising. We offer not only an advertising tool, but also a practical gadget.

The print is placed under a transparent PVC cover using high quality

technology. For printing requirements please contact us.
