## Description

Folding pencil holders are used to store office accessories - pens, pencils, and scissors. Holders with lower walls are ideal as a container for paper clips or small office trinkets. Also these holders can be folded, they do not take up much space, and their walls are an excellent advertising medium. We can print using the offset method on PVC film or on lenticular film (with a 3D effect).

A 10 cm or 5 cm high cup wall printed with PVC or lenticular film (with 3D effect)

Rings with a diameter of 7.5 cm, available in different colours.

Provided unfolded, every set packed to individual bag.
