Short Description

With printing on the folder and adhesive note pads

Description

Adhesive note pads are the best and most effective way to save important information on spot. We offer high-quality adhesive note pads, long lasting glue and wide printing possibilities. These adhesive note pads are made in a cardboard folder. Inside, there may be one, two or more types of leaflets with different information, coloured adhesive marks.

The order and colour of paper sheets in one folder may vary. For an individual project, please contact us.

Standard adhesive folders:

- folder 305 gsm
- folder hard cover
- folder hard cover soft touch

Minimal quantity: 100 sets (folders).

Printing from 1 colour to full coloured CMYK.

Price depends on:

-size

-quantity of sheets

-printing colours

-pads quantity
