Short Description

With printing

Description

We offer rulers made of laminated high-quality paper, PVC or with foil printing (with 3D / animation effect).

The printing is done using the latest technology tools in CMYK and PANTONE colors, the rulers can be from 4 cm wide and up to 31 cm long.

Promotional rulers are popular and often chosen by our customers. They have a surface where you can print important information for your customers or color graphics. Great as a promotional material for budget gift sharing.

Submit your existing label design and we will prepare a product visualization. If you do not have a project - we will help you create.

If you need a consultation on this product - please contact the indicated contacts.

You can see examples in our office, address in Vilnius, Konstitucijos ave. 23a 102 room.
