Short Description

Transperent top coat and panner with print on both sides

Description

Plastic pen with pull-out banner comes with print on both sides. These banner pens are good for occasions, when all key information is necessary on spot. Business cards and flyers or other can be replaced by one banner pen, as all information can be placed on one banner. Pens with pull-out banners can be used in business promotion area and in informative way. For example, local map and important information for help can be printed on both sides. It will definitely assist your clients in guidance.

The top coat is transperent.

Ink: black or blue.

Pen size: 14,6 x 1,1 cm. Banner size: 18x7 cm. Print on both sides.

Production form 300 pcs.

Production term: up to 3 weeks.
