Elegant set with gift box

Description

Promotional rollerball pen and metal ballpen in an elegant gift box is a perfect gift for your business client. Colours of metal pens and rollerball pens are given in catalogue.

What is the difference between rollerball and ballpen? Ballpoint pens uses a thick oil-based ink, whilst rollerball pens use a water-based ink, more similar to the ink used in fountain pens.

Set: rollerball black ink, ballpen blue refill.

Material: aluminum. Marking: engraving. Packed in gift boxes.

Suitable cases: Z-1, Z-2, Z-5. (You will find more information about pen cases in section Metal Ball Pen sets and cases).

Samples can be viewed at our office in Vilnius, Konstitucijos av. 23, 102cab, A corpus. Please contact before arriving.

Send us your logo or note that you would like to see on the pen, we apply it and send the visual picture back for checking.
