Description

Reflective Lanyards have a highly visible reflective ribbon bonded to a polyester base lanyard - a great choice for security or night events when visibility is of importance. Whether you're holding a night walk, evening festival or are looking for a unique alternative to the traditional lanyard, turn the reflective lanyard into a statement piece at your event.

The base lanyard can be chosen from existing pallet. Logotype is printed on the reflective part - 1 colour print.

You can view the samples in our office. Address: Konstitucijos per. 23, Vilnius.

Send us your logo or note that you would like to see on the product, we apply it and send the visual picture back for checking. For more details or special order please contact us.
