Description

Name tag acrylic transparent, hard body.

Size: 77x52 mm

A little bit bigger acrylic name badges are elegant alternative for slip-on name badges. They are light and comfortable to wear. These name badges have large printable and exchangeable surface. According to your needs, you can put a lot of information and graphics there and you will still have a possibility to change them with ease at any time.

Every kind of fasteners available (clips, safety pins or magnets).

Available only in one transparent colour.
